

GOD'S WAYS AND MEANS—

After the flood the Lord said to Noah, “I will establish My covenant with you and all flesh will never be eliminated by the ‘waters’ of a flood, nor will there again be a flood to ‘destroy the earth’.”

Was God the One who orchestrated the flood in Noah’s day? Yes, and He has been at it again over the last half century (it is estimated it took 55 to 75 years for the Ark to be built). Right now people are drowning in a flood of information... causing confusion. He said in the covenant to Noah that all flesh will never be eliminated by the “waters’ of a flood. His new flood is by TMI (too much information). Much of which is misinformation.

Our Father has many kinds of anointings, some at birth (in the womb even). He has begun this process of bringing His purpose for mankind, in mankind. If anyone thinks a brilliant mind or genius comes naturally, they are mistaken. I am referring to those minds over the last half century who have produced the Age of Technology. From the Church Age, out of this Technological Age, will come the Kingdom Age, by the spirit in man (the servant/sons of God).

—Not by might (physical, by rituals and battles)... B.C.— Before Christ—

—Not by power (mental, by intellect)... A.D.— Neglecting The Way- Studying the Scriptures—

— But, by My Spirit (by the fullness of the Spirit of Christ)... N.O.— Nova i.e., a brilliant explosive light; Ora i.e., it is happening Now! It is the third day!

This manifestation will cover the whole earth, but not a “flood that will destroy the earth”, but will bring a new earth, with a new kind of authority.

A Kingdom of Righteousness, Peace, and Joy!
