

Faith to walk
Sight to flight
First for earth
Last for height

Soul to learn
Her way must mend
Find cover o'er head
Why Son be sent

Spirit have rule
As soul submit
Lay down her life
and Death be quit

Then soar above
All earth below
On air we meet
As Jesus doth show

Caught up to fly
Spirit with wing
as eagle will soar
God's sons then sing

Gathered above
Ascended He be
Lift off from earth
is our great need

This breath of His
The air of speech
Catching us up
Without impeach

Always to be
Joined to Him as such
Breathing His Voice
And know Love's touch

For didn't He say
My coming, there's more
O'er and again
To Day and forevermore
