**I was blessed and encouraged!**

**Rejoicing in the TRUTH which has so gladdened my soul.**

**I have for so long known and waited for this season, being caught up into the spiritual dimension where HE DWELLS. The time is NOW. And they that hear are caught up to dwell here and live from this place with our feet still on the earth.**

**But I have learned each in his own order and that has brought beautiful peace and contentment as not all are hearing at the same time....but around me I see the changes taking place. A spiritual awakening to HIS LIGHT quietly and definitely and so beautiful.**

**HIS APPEARING IN US, and He Is starting to manifest HIMSELF through His Sons.**

**It is such a wonderful place and union with OUR LORD.**

**And when we speak with authority we speak what He has written in us, His SCROLL. That which was written in His scrolls (us), before we were born here. And it is becoming easy because His word has been made flesh once again in us. We are becoming aware.**

**Nothing to be defended, no fear, no doubt, no concern about acceptance, no podium, no worldly numbers or membership ....JUST A KNOWING that ALL IS WELL and being fulfilled as HE HAS DETERMINED BEFORE THE FOUNDATION OF THE WORLD.**

**In His Love**
