Many years ago during the 80's our precious Lord told me at midnight "I will appear in you." His voice spoke throughout all of my room and heavens. It sounded like lightning and a huge trumpet when it thunders thru the sky. My then husband woke up and asked "what was that" but I could not even speak. It was so loud and overwhelming. Then the next morning early He said again "I gave you Bread and Water." I was so excited and He said "you are excited? Wait and see." Of course I did not understand.

I pondered His words many hours, days and years. I kept believing and know and understand so much more now than then. Then some time after that I had the following experience. I was walking on a long road...a gravel road, not a smooth and tarred road. Jesus was walking next to me and holding my hand. I asked Him many, many questions and sometimes I would even give the answer to Him. He walked and listened quietly. Then the most unexplainable thing happened. I was filled with joy, peace, love, exhilarating life. I can't explain it at all in words!! I said to Jesus "Lord Jesus how can I stay in this state of being and joyfull, blessed amazing life?" He answered "let go of your husband (adam) and marry me."

I became aware of my surroundings and the words in my mouth was "I am in Heaven" and then said "Heaven is in me." This wonderful state of being, manifesting in me, thru me lingered for almost 8 hours.

My earthly father entered my room that morning and said "wow, what happened to you, your face is shining, tell me." I tried to explain as best I could. Of course I tried many times to get back into this experience to no avail. I wept, I became depressed, I became weary. I thought I would be changed immediately but slowly and surely I realised and experienced that it is a process.

Renewing my mind, my soul and then marrying my HUSBAND, JESUS THE CHRIST in me. Then the marriage supper. I also later realised and experienced the "Bread and water" of adversity. But thru this I learned and were taught by Him. I suffered so much but everytime, everytime He is here. Right within me to strengthen and change my soul.

I learned forgiveness. I prayed many years ago "Father I want to be like Jesus on the cross when He prayed Father forgive them for they know not what they do." Then I went thru the most terrible stuff. And after that He gently said "Now I pray, Father forgive me LIDA also for I also don't know what I do." Bless His wonderful name. He truly is so faithful and I know He IS THE AUTHOR AND FINISHER OF MY FAITH. HE IS THE OVERCOMER IN ME. Hebrews 9:28

Overcoming all so He appears in me. And that for His glory alone.

Even so it is that Christ, having been offered to take upon Himself and bear as a burden the sins of many once and once for all, will appear a second time, not to carry any burden of sin nor to deal with sin, but to bring to full salvation those who are [eagerly, constantly, and patiently] waiting for and expecting Him.

Blessings to you. Truly He loves us so greatly!
