**THE BATTLE OF THE GREAT
DAY OF GOD ALMIGHTY!
(REV.16: 14)**

NO.291

HE'S IN THE HOUSE!

The Lord God is the Husband of the church, His bride. He abides within her by the Spirit. He is her Protector, her Provider, her Leader into all truths, her Comforter and her Counselor. He is ever present to uphold her and teach her. He has been preparing her and cleansing her to present her to Himself. This has been taking place within each one of His called out ones, and as a result to His corporate bride as well.

As time goes on, He is drawing her ever closer to His heart. Can we not feel His presence closer than ever before? A few nights ago I had a dream that was personal for what was coming up in my life, but at the same time, I know that it applies to all of us in this walk because of the times at hand in the world. *"I was in my bedroom, (twin beds in the dream). I looked on my husband's bed and there were several of his things laying there: his keys, his belt, his handkerchief and pocket trinkets. Above all I could smell the exhilarating scent of His presence. It was like a wonderful cologne or after shave scent that filled my whole being. I knew my husband had come home. But where was he? I had to find him. I knew that he was in the house."*

I pondered this dream for several days. And then a few items in my house broke down and I proceeded to quickly replace them. My coffee maker, the clock in my living room, the hinge on my toilet seat one by one, they broke down in one day. No real problem only that it did not stop there. It was Friday evening when I was finishing my shower that I noticed the water pressure was decreasing quickly. Soon, there was no more water. I had been out shopping all day to replace the small items I needed.

I had a tree man coming in the morning to trim the branches of my big oak before the hurricane season. Now this is happening on a week-end night. I somehow stayed calm and called the well and pump company. A man came within the hour to fix the pump. He replaced the capacitor, but it was all in vain; the pump was gone; no water and nothing could be done until Monday.

However, while the man was in the pump shed working, a neighbor came and inquired. His well is very close to mine and so he quickly hooked up my house to his well and his beautiful clear spring water ran through my house. He said Jackie, use all you need as long as you need! And so for the ten days that it took to drill a new well and install a new pump and dig new pipes to connect it, and wait for the county inspector to approve it, we had his beautiful water running through our house.

That night, as I thought on these things, the Spirit reminded me of the dream and I could hear Him say, *"Don't you know, it was Me in your house who kept your heart at peace during all this. It was Me, who sent your neighbor out to inquire and connect you to his well!" It was Me who gave you the energy to run back and forth from the pump to the fuse box (about 90 feet each way) so the workman could be done before the cloud storm burst. It was Me who held back that rain cloud until he was done with his work*

I knew that I had found my Husband in my house. Our union is not yet consummated. There were still twin beds in the dream, but my Husband is taking over the house. He is finally fully come home to His

body. He has been with us by the Spirit all along, but now something new is happening. We are going to see more and more of His excellent work and power in our lives.

On Monday morning early, they came to pull up the pump and install a new one. But the news was not good. The pump had been drudging up mud and the pipes were filled with the gook. There was no more water in the well; it had collapsed. The pump was burnt up, the tank rusted, all had to be replaced and a new well had to be drilled. My good neighbor was on the scene and reconnected my house to his well. It would take a week or more before they could get to drilling a new well!! I am at peace. My Husband within is handling everything and I am trusting Him fully.

Then on Tuesday, I had my appointment with the eye doctor. Seven months ago, I had a sudden macular hemorrhage in my left eye. My vision in that eye was obstructed by the pool of blood in the back of the eye. (Not visible in the outer eye.) The doctor quickly began a series of shots in the eye to disperse the pooled blood and seal the bleeding veins. This is a fairly new treatment that has the potential of saving the vision. Saints were praying for me. As the months went by and the shots continued each month, there was great progress but blood still remained and blocked some of my vision. Last month, the doctor proposed to use a new kind of shot to stimulate the breaking up of the blood but this new shot is very expensive and my insurance would not cover it.

When I went for my visit on Tuesday, I knew my Husband was in the house. Just as His scent filled my being in the dream, I could feel His presence so powerful within me. They took the scan of the eye, then I saw the doctor. He pulled up the scan and said, No shot! No fluid! I knew it but now to hear it was joy unspeakable and full of glory!

The doctor wants to see me again in one month to make sure all remains stable. But I know my Husband is here. I saw His things on the bed, I inhaled His presence in the house, and I found Him in the midst of life's turmoils. This is more than my testi-

mony, it is Him saying to all of us, "Expect things to change now!" He is risen in His House. We are His body, His bride. No more fear, no more dread, our Husband is no longer hiding. He is appearing with power to protect us, to lead and guide us, to comfort us, to heal us, to provide all our needs and to accomplish the things we once thought impossible.

Our Husband is Christ come in the flesh. Christ was in us as a seed, but as our earth was tilled, hoed and fertilized, it became eager to produce, and Christ was formed in us. Jesus took of the earth that we are unto Himself and of the two He formed a new creature. Paul told the church, "*My little children, of whom I travail in birth again UNTIL CHRIST BE FORMED IN YOU.*" (Gal.4:19)

Christ in us is indeed the hope of glory. The new creature that is formed from the union of His Seed and our earth is the glory that we are hoping for. This is the complete "new birth!" His Holy Spirit is leading us into becoming His likeness in the earth. Our Husband is the Holy Spirit and He is finally home when He has fully swallowed up our earth and we are become One new man. As sons, we come to our Father as Jesus did when He was on the earth. "*And in that day, ye shall ask me nothing. Verily, verily, I say unto you, whatsoever ye shall ask the Father in my name, he will give it you.*" (Jn.16:23)

The Son, by His Holy Spirit has brought us to this place. This is what Jesus meant when He said, "*And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there you may be also.*" (Jn.14: 3)

Indeed, He came again in the form of the Holy Spirit and He has prepared us to be received unto Himself. He is one with the Father, and now as we become new creatures, we are one with the Father as well. As He makes us holy, things are becoming clear. He is truly birthing an unfathomable wonder!

The confusion is gone. We have been as the blind man that Jesus healed with His spit. "*And he looked up, and said, I see men as trees, walking. After that he (Jesus) put his hands again upon his eyes, and*

made him look up: and he was restored, and saw every man clearly." (Mk. 8:24-25) The way of the Lord is progressive in our lives. Our relationship with Him changes over time, but the vision that He first set before us remains the same. The Christ within is immovable and unchangeable. This is why we must keep our eyes fixed on Him and not on ourselves.

As Jesus said, we can do nothing of ourselves. We can only yield ourselves to His mighty Spirit. The difficulty is the old nature who wants to do something for Him. We are earthen vessels, His bride, and we are called to fully submit to His Spirit. When Christ is formed in us, He takes over His house as my dream showed. Changes are coming fast, in us and all over the earth. This is truly the Day that the Lord has made and it is dawning upon us. Soon it will illuminate and cover the whole earth.

FOR MY NAME'S SAKE

As I awoke one morning I heard the Spirit saying, *"I do all these things for my name's sake."* Then I felt His peace descending upon my mind knowing that the battle is truly the Lord's and it is already won!

"And all this assembly shall know that the Lord saveth not with sword and spear: for the battle is the Lord's, and he will give you into our hands." (I Sam.17:47) Just as the Lord God delivered Goliath into the hands of David, He delivered the Philistine in us into His own hands, and He will deliver the rest of creation into the hands of the righteous.

Is the Lord really doing all for our sake? Yes and no. He loves us and His creation, but there is an even greater and surer reason for it all. As He told me that morning, *"I am doing it for my name's sake."* Our God is a jealous God and will not be superseded by any other. For a time He has determined to let His Christ be crushed in the earth, but this was for a purpose. Just as He went before Israel of old in battle, so today, He is arising in the Son, to destroy forever the enemies of His Christ.

David knew the key to prayer, *"For thou art my*

rock and my fortress; therefore FOR THY NAME'S SAKE lead me, and guide me." (Ps.31:3) God declared through Isaiah, *"FOR MINE OWN SAKE, even for mine own sake, will I do it; for how should my name be polluted? And I will not give my glory to another."* (Isa.48:11)

We stand as Jesus did; the Word made flesh in the world, and all who dwell in darkness hate us. The animosity that is displayed against Christians and all who stand up for truth, is an extreme resentment and enmity that is beyond human. It is out to destroy the name of the true God and of His Son from the face of the world. Jesus said that it would happen, *"But all these things will they do unto you for FOR MY NAME'S SAKE, because they know not him that sent me."* (Jn.15:21) And so we rejoice at what we see happening in the world. His truth is marching on.

THE END OF THE OLD TESTAMENT PROPHETS

We know by experience that the Lord has been preparing His house. The prophet Malachi, the last of the Old Testament prophets until John the Baptist, came 430 years before the birth of Jesus. After he uttered his last prophecy, Israel never heard the voice of God again. Jesus called John the Baptist the greatest of the prophets for he was the one who introduced Him as the Lamb of God, *"Behold the Lamb of God, which taketh away the sin of the world."* (Jn.1:29b)

John announced the Lamb of God in person and Jesus said this about him, *"For I say unto you, Among those that are born of women there is not a greater prophet than John the Baptist."* (Lk.7: 28a)

Malachi's last prophecies were powerful. They announced the coming of John the Baptist and of the Lord Himself into His temple. *"Behold, I will send my messenger, and he shall prepare the way before me, and the Lord, whom ye seek, shall suddenly come to his temple..."* (Mal.3:1a) We know that the temple that Malachi was speaking of was not a literal building in Jerusalem but rather the Lord Jesus Christ Himself in the flesh.

Later, Jesus spoke of the temple that He would build in three days, and that was the temple of His body in the earth which body, we are. *“Destroy this temple and in three days I will raise it up...But he spake of the temple of his body.”* (Jn.2:19b, 21) After Jesus, literal temples of worship and of offering animal sacrifices were obsolete before God.

From that day forward, the old covenant that God had established between Himself and His people was fulfilled in His Son Jesus. Now, the voice of God to the people would no longer come through prophets, but would come directly through the Son. The intermediate voice was no longer needed. Christ had begun His reign in the earth. *“God who at sundry times and in divers manners spake in time past unto the fathers by the prophets, hath in these last days spoken unto us by his Son, whom he hath appointed heir of all things, by whom also he made the worlds.”* (Heb.1:1-2)

Does this mean that believers filled with the Holy Ghost would not prophesy? No. The New Testament record the words of prophets, but now they are speaking by the Holy Ghost. Jesus also gave various gifts to the Church, among them the gift of prophecy.

Today, we hear many voices that sound genuine but one has to remember the warning of Jesus about the times of the end, *“And many false prophets shall arise, and shall deceive many.”* (Matt.24:11) So how can we know we are truly hearing from God? The answer is clear, to speak a pure word, one must have a pure heart. The moment that there are ulterior motives in the heart, the word is not pure.

This is why Malachi prophesied, *“For behold the day cometh, that shall burn as an oven; and all the proud, yea, and all that do wickedly, shall be stubble; and the day that cometh shall burn them up, saith the Lord, that it shall leave them neither root nor branch. But unto you that fear my name shall the Sun of righteousness arise with healing in his wings...”* (Mal.4:1-2a) This is what the Lord has done in His own house first, and is now doing in the world.

“For the time is come that judgment must begin at

the house of God: and if it first begin at us, what shall the end be of them that obey not the gospel of God?” (I Pet.4: 17) We are all very much aware of this work of purification within each of His saints and as a result, the Word that the Spirit of God is speaking to us has become much clearer and purer.

Paul wrote, *“For if the trumpet give an uncertain sound, who shall prepare for war?”* (I Cor.14:8) A trumpet gives a sharp sure sound and it is symbolic of the sharp sure Word of God that is sounded through the Spirit. *“In a moment, in the twinkling of an eye, AT THE LAST TRUMP: For the trumpet shall sound, and the dead shall be raised incorruptible, and we shall all be changed.”* (I Cor.15:52)

Of course this is not speaking of a literal trumpet sounding, but it is the sharp and certain Word of God blowing in our spirits as He is replacing our death with His incorruptible life. And it is when the Lord has spoken all that needs to be spoken to complete the work, that the last trump will have sounded the last word.

When God gave Israel their ordinances and commandments, He said, *“Make thee two trumpets of silver; of a whole piece shalt thou make them: that thou mayest use them for the calling of the assembly, and for the journeying of the camps.”* (Numb.10:1)

These were literal trumpets but they are symbolic of the Word of God that is sounded through the Spirit today. God ordered Israel to blow these two trumpets in various ways. Both trumpets would sound for the assembling of the camps to the door of the tabernacle. Or it could be an alarm with only one trumpet sounding. Or if one trumpet sounded twice it was for the journeying of the camps. In the Spirit we are hearing God's Word loud and clear. We read about the seven trumpets blowing in the book of Revelation. We also know that it is at the “last trump” that the dead shall rise incorruptible. I believe that the last trump has been blowing for a while already.

John's visions of things to come in the last days are filled with blowing of trumpets. These trumps can

only be heard by those who have an ear to hear but their effect is being felt throughout the world. As God led the camps of Israel with the blowing of actual trumpets, so He leads the camps of His saints with the clear sound of His Word. There have been many trumpets blowing and moving us on. There have been trumpets to rally the church unto salvation by faith. Then there were trumpets announcing the waves of the feast of Pentecost and the baptism with the Holy Ghost. We have heard the trumpet sound to go on to perfection. There have been trumpets moving us into sonship and third feast.

When we thought that we could never be made perfect, we heard the call of "Be ye holy, even as your Father in heaven is holy." We heard the mighty trump of overcoming sin and death in our own bodies of flesh as corruption must put on incorruption and this mortal must put on immortality. These are all trumpets blowing among the camps of the saints. They are the words of God announcing what is happening in the Spirit and therefore materializing in our lives. They are God's messages leading the saints onward to the fulfillment of His purpose.

And so we know that what God is doing in the Spirit is what we see happening in us and around us. If there is a battle taking place in the realm of spirit, then it will manifest itself in us or among men. What is taking place in the world is done by the power of His invisible Spirit moving in His body in the earth. His appearing in the saints has been generating all the bedlam that we see in the world of darkness today.

"And the seventh angel sounded; and there were great voices in heaven, saying, The kingdoms of this world are become the kingdoms of our Lord, and of his Christ; and he shall reign forever and ever." (Rev.11: 15) We are already hearing the great voices of the saints on both sides of the veil, as they behold the finished work of the Lord in His great battle over evil and death.

WAR IN HEAVEN

"And there was war in heaven: Michael and his angels fought against the dragon; and the dragon and his angels, And prevailed not; neither was their

place found any more in heaven. And the great dragon was cast out, that old serpent, called the Devil and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him." (Rev.12: 7-9)

This verse is so revealing of what is happening in our day. To better understand its meaning we need to be reminded that the dragon, the angels, Michael and heaven are spiritual presences or powers that influence the people of the earth. We know that not everyone lives at the same spiritual level. Levels of spiritual abiding are illustrated by the places we are familiar with in the world. There are some who dwell in the earth, some who dwell in the sea and others who dwell in the heavens. *"Therefore rejoice, ye heavens, and ye that dwell in them. Woe to the inhabitants of the earth and of the sea."* (Rev.12: 12a)

From this verse, we know that the dragon, that old serpent has been dwelling in the heavens and that he is being cast out of his place of power. Yes, the heavens do not always speak of a blissful place where the departed go and meet each other to celebrate together for eternity! Although there is a place called paradise in the heavens, the realm consists of much more than that. It is the realm of invisible spirit where not only God dwells but also where that old serpent the Devil has been dwelling.

Paul teaches that *"We wrestle not against flesh and blood, but against principalities and powers, against the rulers of the darkness of this world, against spiritual wickedness in high places."* (Eph.6:12) The word "high" here is the same as the word translated "heavenlies" in other verses. The "heavenlies or heavens" are indeed the "high" places, the invisible realm, from which issue the powers of darkness as well as the power of holiness that influence the lives of all beings. They work to motivate the minds (thoughts), the hearts (affections), the souls (emotions) and ultimately the spirits (characters) of humanity.

These heavenly places in humanity have been ruled by the principalities on high, whether they be the Lord and His angels or the dragon and his angels. Their work begin in the mind and continue to infil-

trate the heart, soul and even spirit, until we submit to whatever they tell us to do. These are the areas where the warfare takes place and where Michael and his angels are at work. This is why each day, we find ourselves striving with the thoughts of our minds or the emotions of our souls. We would not be struggling if it were not that the Spirit of God (Michael) is disturbing the pattern that the enemy, (the enmity of our carnal minds) has set up within us. Our carnal minds have been joined to the dragon, and now our renewed minds are being joined to Michael (Spirit within us), to upset and topple the one who thought he owned us.

While this is taking place in us, it is also happening in the world. We are called to witness and to yield ourselves to what God is doing. We cannot turn away from what we see, or try to cover or escape the reality of it. Our old religious nature does not want to be disturbed and behold the evil into which the first Adam had fallen. But Christ is arising and He is getting down to the bottom of the pit, to expose that which man has covered up with pious activities for ages.

To keep the people from seeing the truth, the religious leaders have concocted a doctrine called the “rapture of the church.” They have not prepared their congregants to be overcomers in Christ and so they have made up a way of escape for them. This is a cruel and dangerous doctrine. Our Lord has prepared His church, not only to face the tribulations, but to triumph over them. We are the WATCHERS and true and faithful witnesses. We must look and see the truth clearly, first in us to be delivered, and then to become the deliverers for which the creation is groaning and travailing.

THE GREAT GATHERINGS

Jesus prophesied of what would take place at the end of the age. *“And he shall send his angels with a great sound of a trumpet, and they shall gather together his elect from the four winds, from one end of heaven to the other.”* (Matt.24: 31)

We could be lured into thinking that this is a literal gathering of the saints in a great convention some-

where. Indeed, we have been hearing the sharp sound of His last trumpet as He is gathering us by the Spirit. Each of His elect is hearing the same voice and the same call. We are being instructed to be still and trust Him as He leads us into the next step of our journey.

How good it is to be able to meet on the “wire” and share what the Lord is doing in our lives with those who are of the same mind. It seems that we had literally sat together in the same room and listened to the same teacher. This gathering unto Himself has been a tremendous and necessary work of His Spirit among us. As He gathers us, He brings us through the fires of sanctification. It is only when we are sanctified, that we are separated from the old nature and that we can clearly understand the Word of the last trump.

When we have gone through our own walk of purification, we become mature and we find that it is time to take our eyes away from ourselves and to see what God is doing with the people of the world. A time of great spiritual warfare is now playing out in flesh and blood. The fury that has been unchained in the Middle-East is motivated by strong religious spirits that have taken over the minds and hearts of young men. These religious spirits have ruled over nations for millenniums and now they are out to rule over the world.

It was when Daniel prayed that the angel that came to give him the answer to his petition told him that he had been delayed, *“But the prince of the kingdom of Persia withstood me one and twenty days; but, lo, Michael, one of the chief princes, came to help me; and I remained there with the kings of Persia.”* (Dan.10:13) The angel further explains, *“...And now I will return to fight with the prince of Persia; and when I am gone forth, lo, the prince of Grecia shall come.”*(Vs.20)

These princes or spirit powers are what Paul called principalities. They are invisible rulers that invade the hearts and minds of men and coerce them into doing their bidding. At the end of the age, they are unleashing all their evil ploys in a last ditch effort to possess and rule over the people of the earth.

“And I saw three unclean spirits like frogs come out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet. For they are spirits of devils, working miracles which go forth unto the kings of the earth and of the whole world, to gather them to the battle of that great day of God Almighty.”(Rev.16:12-14)

These three unclean spirits of devils, like frogs, are coming out of the mouth of the triune being that is described here. The dragon is the serpent whose power is now magnified many times, the beast is the men that the dragon indwells to carry out his despicable plan, and the false prophet tells us that he is the “religious spirit” that has deceived the multitudes.

This is a perfect description of the powers that are inciting the “terrorists” that are now marching in force through Europe and many parts of the world, to dominate and enslave the people and destroy all who name the name of Jehovah and of Jesus Christ. Their miracles are their abilities to convince young minds that terror and killing is of God.

The battle that is going on in the Middle-East and many other places today is fueled by the dragon and the false prophet whose demonic powers has taken possession of the souls and bodies (beast) of those who have succumbed to their propaganda. This is not a time for philosophy and debate; this is a time for the sons who are hearing the great trumpet to stand on the side of the truth.

The Spirit sounds a solemn exhortation. *“Behold I come as a thief. Blessed is he that watcheth, and keepeth his garments, lest he walk naked, and they see his shame. And he gathered them together into a place called in the Hebrew tongue Armageddon.”* (Rev.16: 15-16)

Jesus comes as a thief which means that He is about to show His power and take over by surprise. A thief comes suddenly and without warning. The world has no idea whatsoever of His soon appearing. Even Christians who are waiting for Him, have an erroneous idea of the way He will appear. The world's leaders are trembling and scrambling, trying to figure out how to deal with this powerful enemy

without borders that is now encircling and threatening their lands and their very existence.

In the realm of invisible spirits, the kings of the East are some of the same princes or leaders that Daniel's angel had been fighting against. Today, these evil princes or rulers of nations, have risen up armed with weapons that can destroy our entire world. The same prince of Persia that was held back in the days of Daniel is now loosed among others, such as the prince of North Korea and Russia. They have been gathered, equipped for the greatest battle ever, called Armageddon. It is the battle of THAT GREAT DAY OF GOD ALMIGHTY.

The world is taken by surprise, but we are not. The Spirit calls us “Watchers.” *“Blessed is he that watcheth.”* We are Watchers and we are called to witness what is happening. God is drying up the river Euphrates and exposing the bottom where evil has been hiding and doing its dirty work under the guise of pious activities.

God is love and yet, the greatest demonstration of His love is Jesus Christ on the cross. God loves His creation and He is destroying the works of the one who is out to destroy it. *“For this purpose was the Son of God manifested, that he might destroy the works of the devil.”* (I Jn.3:8)

While this all takes place we are exhorted to *“keep our garments, lest we walk naked and they see our shame!”* This is God's battle; we cannot touch it. He has clothed us with His beautiful truth and pure righteousness. We have this robe of fine white linen which is the righteousness of the saints. *“And to her was granted that she should be arrayed in fine linen, clean and white; for the fine linen is the righteousness of the saints.”* (Rev.19:8)

He has passed us through the fire, that we might be the righteousness of God in the flesh. All the evil that we are seeing in the world today was once part of who we once were. All the Word that we apply to creation now, was once applied to us. And so we stay covered, clothed by His Word and protected from harm.

DRYING UP THE RIVER EUPHRATES

“And the sixth angel poured out his vial upon the great river Euphrates, and the water thereof dried up, that the way of the kings of the east might be prepared.” The physical river Euphrates is one of the longest rivers in Western Asia. Its source is in the mountains of Turkey and it flows for 1700 miles all the way to the Persian Gulf. The river Euphrates is also one of the four rivers that went out of Eden to water the garden.

Babylon, on the banks of the Euphrates, was one among the greatest cities of the ancient world. It contained magnificent temples and impressive buildings which were the palaces of the kings of the ancient world. I have no room in this study to go into the description and importance of Babylon and for us, its importance is in what it represents in the realm of spirit. The name Babylon means “Gate of god.” It also means “Confusion” for the Babylonians had many gods. In his visions, John describes a time when God is bringing down *“MYSTERY BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH.”* (Rev.17:5)

In God's economy, the splendid city of ancient times is a type of the religious powers that have risen up as a beast who sits upon many waters (people) and whose nourishment is the blood of the saints. The Roman Catholic system of churches indeed swallowed up all who tried to pull away from her, and they became a mere counterpart of the same systems of darkness. Mystery Babylon is very rich and powerful; she is supported by multitudes, but the voice of the Bridegroom is no longer heard within her walls. (see Rev.18:23).

And now, God has turned away from her, “She is fallen!” and her power has been superseded by an evil religious prince who is out to exert his sharia laws and atrocities over the world's nations. Just as Babylon of old sat on the banks of the River Euphrates, the waters that Mystery Babylon has been sitting on (the multitudes of supporters) is being dried up. The zeal of her followers has dwindled. This is God's doing, *“..That the way of the kings of*

the East may be prepared.” The kings of the East are the principalities and powers that have ruled the nations of Iran, Syria and others. They are invisible spirits but they play out in the physical realm as we see the powerful influence of Islam and Eastern religions arising with fury against the great Babylon of Christendom. This indeed is the battle of God Almighty against the powers of the gods of this world.

As Mystery Babylon has lost her power with God, it has no defense against evil doers and against the powerful religious principalities of the East. This spiritual drying up, is playing out in real life as the literal waters of the Euphrates are actually drying up and the powers that were kept on their side of the world are now marching to invade Western nations. This is playing out today in the world.

But God's Watchers are seeing something more than these atrocities. God Almighty has suddenly come into His temple. Our Husband has come home! Christ is now fully formed in the earth and dwelling within and among us. We are witnessing the mighty work of our God as He destroys the works of the devil. *“He that committeth sin is of the devil; for the devil sinneth from the beginning. For this purpose, the Son of God was manifested, that he might destroy the works of the devil.”* (I Jn.3:8)

The Son of God was manifested in Jesus Christ, and He is now being manifested again in His full body in the earth. God's purpose in our day is to destroy the works of the devil who has enslaved humanity to do his dirty evil works of darkness. This is truly the GREAT DAY OF GOD ALMIGHTY.

In the Spirit, the great river Euphrates is being replaced by the River of life that flows from the throne of God to the earth; this is our source of life. The ways that man had established in the world are burning up. This is the Day that the Lord has made! Let us open our spiritual ears and eyes and watch closely the mighty acts of our God!

Because of His love, *Jackie Caporaso*
